NARRATIVE:

Moreno, a documented gang member, has an extensive adult criminal history that began at the age of 21. His convictions include grand theft of property, possession of dangerous weapons, possession of a tear gas weapon, vandalism, possession of a switch blade, resisting arrest, driving under the influence of alcohol, multiple possessions of controlled substances and absconding from supervision. He has served multiple state prison terms the longest a two (2) year term for vandalism. Moreno was released from state prison to the supervision of the Los Angeles County Probation Department on November 06th, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in March 2014 after he absconded from post release community supervision (PRCS). Moreno qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for vandalism is defined as non-serious and non-violent under the California penal code. His prior criminal history, status as a gang member, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
